Spoke in Munich last night, London today.

Already had Mayrose try to connect us but I come into Brussels just as you leave

Maybe we can set up a call sometime today

Just got the transcript from the Q&A at the Detroit Auto Show.

Urmson is openly discussing rolling out an Autonomous Vehicle ridesharing service.

I'm thinking it's time to have a chat with Larry directly. Let's get some quality time if possible in Brussels.

Thanks,
